WORK SESSION ITEM

TO: Mayor and City Council

FROM: Director of Community and Economic Development

SUBJECT: Final Tract Map 7109 – Signature Properties (Subdivider) – Approve the Final Map for project known as “Bailey Ranch” and Authorize the City Manager to Execute a Subdivision Agreement and Accept, Upon Completion of Improvements, Certain Streets into the City Street System

RECOMMENDATION:

It is recommended that the City Council:

1. Find the final map in substantial conformance with the tentative map and the conditions of approval thereof;
2. Authorize the City Manager to execute the subdivision agreement covering the installation of the required improvements; and
3. Accept various streets into the City street system upon certification by the Director of Public Works that the required street improvements have been completed.

DISCUSSION:

On November 18, 1997, the City Council approved the Vesting Tentative Map for the Bailey Ranch project off Hayward Boulevard, which subdivides approximately 391 acres into 135 single-family residential lots, ranging in size from 8,240 to 18,700 square feet, and dedicates 335 acres as undeveloped public and private open space.

The applicant has elected to develop the tract in two phases and file two final maps as permitted by the State Map Act. The final map for 56 lots in Phase I (Tract 6169) was approved by the City Council on January 25, 1999 and improvements are under construction. The final map for the 79 lots in Phase II was reviewed by the City Engineer and was found to be in substantial compliance with the tentative map and in conformance with the Subdivision Map Act and provisions of local ordinances. The developer has submitted the subdivision improvement plans and has posted a security for faithful performance of the improvements in the amount of \$3,265,000.00 and an equal amount for labor and materials.
